PROVINCIAL SECRETARY.

CIRCULAR.

DEPARTMENT OF THE SECRETARY OF STATE,  
 OTTAWA, 21st May, 1894.

SIR,—I am directed to inform you that His Excellency the Governor-General has had under his consideration in Council, a despatch from Her Majesty's Principal Secretary of State for the Colonies, respecting, *inter alia*, the unauthorized issue of a passport by the Mayor of a certain Canadian City, and directing attention to the fact that the only person in the Dominion of Canada empowered to grant passports is the Governor-General, or the Administrator of the Government, as the case may be.

That this limitation of the authority to issue passports which will entitle the bearer to British protection, is not so well known as, in the interests of the public generally, is desirable, is sufficiently evident, from the occurrence which gave rise to the despatch above referred to, and from other occurrences of a similar character in the past, and I am, therefore, to request that your Government may be moved to take such steps as may seem best calculated to ensure it the desired publicity.

I am also to enclose a copy of the Report of this Department for the year 1893, which contains, at page 59, the general regulation approved by His Excellency the Governor-General in Council with respect to the issue of passports.

I have the honour to be, Sir,

Your obedient servant,

(Signed) L. A. CATELLIER.

Under Secretary of State.

His Honour

The Lieutenant-Governor of B. C.,  
 Victoria, B. C.

REGULATIONS RESPECTING PASSPORTS.

The following is a synopsis of the regulations respecting the issue of passports, adopted by order of His Excellency the Governor-General in Canada:—

1. Applications for passports must be made in writing and inclosed in a cover addressed to "The Honourable the Secretary of State, Ottawa, Ontario."

2. The charge for a passport, whatever number of persons may be named in it, is \$4.00. The fee payable must accompany the application. Postage stamps will not be received in payment.

3. Passports are granted only to British-born subjects, or to persons naturalized in the Dominion of Canada; they are not limited in point of time but are available for any time or for any number of journeys to foreign countries. When the party is a "naturalized British subject" he will be so designated in his passport.

4. Passports are granted to all persons either known to the Secretary of State or recommended to him by some person who is known to him; or upon the application of any chartered bank in the Dominion of Canada; or upon the production of a certificate of identity, which may be obtained at the department, signed by any mayor, magistrate, justice of the peace, minister of religion, physician, surgeon, solicitor or notary resident in the Dominion of Canada. In certain cases, the applicant's certificate of birth must be produced, in addition to the certificate of identity.

5. If the applicant for a passport be a naturalized British subject, his certificate of naturalization, with his signature subscribed to the oath printed on it, must be forwarded to the Department of the Secretary of State, with the certificate of identity granted in his behalf; and his certificate of naturalization will be returned with the passport to the person who may have granted the certificate of identity, in order that he may cause such naturalized British subject to sign the passport in his presence.

6. A passport cannot be issued by the Department of the Secretary of State on behalf of a person already abroad, such person should apply for one to the nearest British Mission or Consulate; a passport cannot be issued abroad to a colonial naturalized British subject, except for a direct journey to the United Kingdom or to the colony where he has been naturalized.

7. The bearer of every passport issued by the Department of the Secretary of State should sign his passport as soon as he receives it; without such signature either the *visa* may be refused, or the validity of the passport questioned abroad. Travellers who may have any intention of visiting the Russian Empire, the Turkish Dominions, or the Kingdom of Roumania at any time

in the course of their travels, should first have their passports *visa* at the nearest Russian, Turkish or Roumanian consulate, as the case may be. The addresses in London of these consulates are respectively as follows:—The Russian Consulate, 17 Great Winchester Street, E.C.; the Consulate-General of the Sublime Porte, 7, Union Court, Old Broad Street; the Roumanian Consulate-General, 37, Old Jewry, E.C. Persons proposing to enter Germany by way of France should also have their passports *vises* at the German Embassy in London or Paris. Travellers about to proceed to any other country need not obtain the *visa* of the diplomatic or consular agents of such country, except as an additional precaution, which is recommended in the case of passports of an old date.

N.B.—Although British subjects are now free to enter Belgium, France, Holland, Italy, Denmark, Sweden and Norway without passports, and the rules about passports have been virtually relaxed in other countries, nevertheless colonial British subjects about to visit foreign countries are recommended not to omit to provide themselves with passports, for even in those countries where they are no longer obligatory, they are found to be convenient as offering a ready means of identification, and more particularly when letters have to be obtained at a *postestante*. For residence in certain districts of Germany or Switzerland a passport is indispensable.

8. Every person keeping or occupying a shop or other building wherein shavings or other combustible materials are accumulated or may be contained, shall forfeit the sum of two dollars for every neglect to clear or remove the same out of such buildings and the yards belonging thereto at least three times in each week, provided such buildings are situated within two hundred feet of any other building, and no stove shall be used in any such shop or building unless the same

7. If at any time appointed for the sale of the lands or improvements or real property, no bidders appear, the Collector may adjourn the sale from time to time.

8. If the taxes have not been previously collected, or if no one appears to pay the same at the time and place appointed for the sale, the Collector shall sell at public auction so much of the land or improvements or real property as may be sufficient to discharge the taxes and all lawful charges incurred in and about the sale and the collection of the taxes, selling in preference such part as he may consider best for the owner to sell first, and in offering such lands or improvements or real property for sale, it shall not be necessary to describe particularly the portion of the lot or section which shall be sold, but it will be sufficient to say that he will sell so much of the lot or section as shall be necessary to secure the payment of the taxes due, and the amount of taxes stated in the advertisement shall in all cases be *prima facie* evidence of the correct amount due.

9. If the Collector fails at such sale to sell such land or improvements or real property for the full amount of arrears of the taxes due, he shall at such sale adjourn the same until a day to be publicly named by him, not earlier than one week nor later than three months thereafter, of which adjourned sale he shall give notice by advertisement in the newspaper in which the original notice was advertised, and on such day he shall sell such lands or improvements or real property for any sum he can realize, and shall accept such sum as full payment for such arrears of taxes.

10. If the purchaser of any property or parcel of land fails immediately to pay the Collector the amount of the purchase money, the Collector shall forthwith again put up the property for sale.

11. Immediately after every sale the Collector shall return a list of the arrears satisfied by such sale to the Clerk of the Corporation, and shall at the same time pay in the proceeds to the Treasurer of the said Corporation.

12. The Collector shall be entitled to five per centum commission upon the sums collected by him as aforesaid.

13. This by-law may be cited for all purposes as "The Victoria Real Estate Tax Sale By-Law, 1894."

Passed by the Municipal Council the 15th day of October, A.D. 1894.

Reconsidered, adopted, and finally passed the Council this 18th day of October, A.D. 1894.
